MDCCCXLX

CESARE ROSI

and lively

where the
presentation
of a new one
product

calls public
and attention

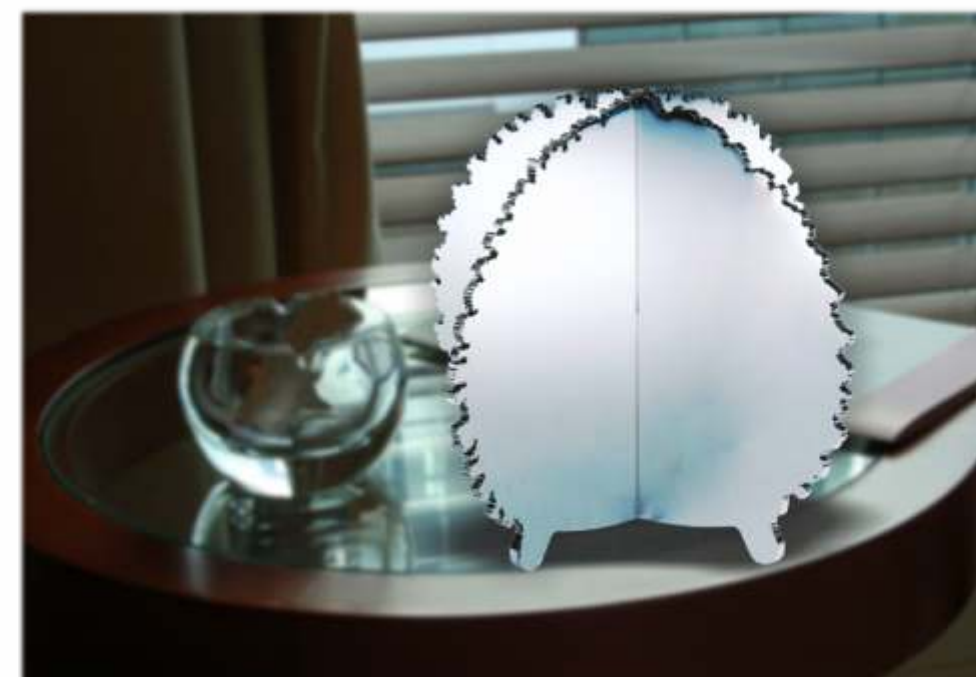

polished by hand in mirror, ten subjects, each one perfect to furnish and qualify the interior with originality of shape, among sculpture and product design. reflecting light and colors it integrates with elegance in each environment. design and finishing make the object vital, radiant. is ideal for the home environments, and it's one excellent office presence, perfect on the desk, in the bookcase where it rises and welcomes for uniqueness, alongside another dear object and the memory of a travel.
